SYNOPSIS

On June 27, 2015, an Internal Affairs Bureau (IAB) team comprised of Lieutenant Slade Carrizosa, Sergeant [redacted] and Sergeant Dinah Grote responded to Compton Station regarding an on duty, deputy involved non-hit shooting. Two suspects, Subject [redacted] and Suspect [redacted] were detained. Subject [redacted] was detained for Assault with a Deadly Weapon against a Peace Officer, and Suspect [redacted] was arrested for Obstructing a Peace Officer.

IAB Lieutenant Carrizosa confirmed that the watch commander, Lieutenant Marc Lucio, took reasonable steps to ensure the involved deputy personnel, and witness personnel, did not discuss the incident amongst themselves, or with uninvolved persons, prior to being interviewed by the assigned investigators. Lieutenant Lucio ensured all involved personnel did not collectively consult with their attorney or representative. In addition, Lieutenant Carrizosa checked to see if the watch commander attempted to have involved personnel gather in the company of a supervisor until they were afforded the opportunity to provide a statement to the assigned IAB investigators.

SHOOTING

On June 27, 2015, at approximately 2220 hours, Deputies Mizrain Orrego and [redacted] we're driving southbound on Tajauta Avenue from Rosecrans Avenue. Deputies Orrego and [redacted] were driving a marked patrol vehicle, randomly patrolling the area. They were dressed in full class "A" uniforms. Deputy Orrego was the driver, and Deputy [redacted] was the bookman.

As they approached [redacted] they observed a black Dodge Challenger parked in the street, with no headlights on and with no front license plate. The vehicle was parked approximately three feet from the east curb line and facing north, between [redacted] and [redacted] The deputies observed Subject [redacted] standing at the driver's door of the Challenger, and Suspect [redacted] standing at the passenger's door of the Challenger.

> **IAB NOTE: Subject [redacted] stated he was standing in the middle of the street talking to his "people" when the patrol car sped toward them. Subject [redacted] stated he did not know it was a patrol vehicle.**

Deputies Orrego and [redacted] initiated a traffic stop of the vehicle to contact the driver regarding the parking violation, the license plate violation, and to ensure the vehicle was not stolen. Deputy Orrego stopped their patrol car approximately twenty feet south of the Challenger, just west of the east curb line. The traffic stop was completed head-on, with the front bumper of the patrol vehicle slightly offset at an angle and facing the front bumper of the parked Challenger.

Deputies Orrego and [redacted] exited their patrol vehicle to contact the driver of the vehicle. Deputy Orrego approached the Challenger's passenger side, as Deputy [redacted] approached the Challenger's driver side. As they made their approach, Deputies Orrego and [redacted] could not visually see into the interior of the Challenger due to tint on the windows and the reflection of light emitting off the Challenger's windshield from a light post and the headlights of their patrol vehicle. They were uncertain if there were occupants inside the vehicle, or if Subject [redacted] was the driver of the vehicle. Both Deputies Orrego and [redacted] could not recall if the motor of the vehicle was running.

> **IAB NOTE: During an IAB interview, Suspect [redacted] stated the patrol vehicle's headlights were not on.**

Subject [redacted] and Suspect [redacted] immediately disassociated themselves from the vehicle. Subject [redacted] walked southbound away from the driver's side door, toward the rear bumper of the Challenger, while Suspect [redacted] walked eastbound onto the east sidewalk in front of [redacted]

Deputy Orrego and Deputy [redacted] immediately observed Subject [redacted] manipulate his waistband as he walked southbound toward the rear of the Challenger. Deputy Orrego feared Subject [redacted] was in possession of a firearm and perceived him as his greatest threat at the scene.

Deputy Orrego immediately began to walk southbound on the east sidewalk, and paralleled Subject [redacted] Deputy Orrego ordered Subject [redacted] several times to stop and show him his hands. Subject [redacted] ignored Deputy Orrego's orders to show his hands and continued to jog in a southeast direction until he reached the east sidewalk. Deputy Orrego followed behind him walking southbound along the east sidewalk.

> **IAB NOTE: Suspect [redacted] stated a deputy was yelling at Subject [redacted] but could not recall what the deputy yelled.**

Subject [redacted] continued to manipulate his waistband with both hands as he ran southbound along the east sidewalk toward [redacted] North Tajauta Avenue. As Deputy Orrego walked behind Subject [redacted] Deputy [redacted] detained Suspect [redacted] on the east sidewalk in front of [redacted] Deputy [redacted] believed Subject [redacted] had a concealed firearm in his waistband, and believed Suspect [redacted] could also be armed. For his safety, Deputy [redacted] drew his duty weapon, and at gun point, ordered Suspect [redacted] face down onto the east sidewalk. Suspect [redacted] complied with Deputy [redacted] orders.

> **IAB NOTE: Deputy [redacted] stated he had a clear view of Deputy Orrego who stood approximately 15 feet south of him. Refer to marked photographs in [Exhibit K].**

As Deputy Orrego approached [redacted] North Tajauta Avenue, he noticed a male black adult (Suspect # 3) standing near a parked SUV in the south driveway of [redacted] The third suspect, who was dressed in red colored clothing, immediately fled the area on foot, running eastbound, and jumping over a chain link gate located just north of [redacted] Tajauta Avenue. As the suspect jumped the gate, Deputy Orrego observed he was holding a handgun.

> **IAB NOTE: For specific position of Deputy Orrego, Subject [redacted] see marked photographs in [Exhibit J].**

After observing the handgun, Deputy Orrego drew his department issued weapon, which was equipped with a mounted illumination device. Deputy Orrego ordered Subject [redacted] to stop and show his hands, but Subject [redacted] did not comply, and he continued to manipulate his waistband area. Deputy Orrego illuminated Subject [redacted] as he ran eastbound across the front lawn area of [redacted] North Tajauta Avenue.

Deputy Orrego observed Subject [redacted] retrieve a dark colored handgun from his waistband, and hold it in his right hand as he ran toward the chain link gate. Deputy Orrego immediately yelled out, "Gun!" to alert Deputy [redacted]

Subject [redacted] jumped the chain link gate, just north of [redacted] North Tajauta Avenue. As Subject [redacted] straddled the top of the chain link gate and was facing north, he turned his upper torso back west, toward Deputy Orrego, and held the firearm with his right hand, as he pointed it directly at Deputy Orrego. Fearing Subject [redacted] was going shoot him and Deputy [redacted] Deputy Orrego fired three rounds at Subject [redacted] with his Department issued firearm.

IAB NOTE: Three cartridge casings were recovered from the front lawn approximately two feet north of the driveway of [redacted] North Tajauta Avenue, and approximately five feet east of the sidewalk.

Subject [redacted] immediately tossed the firearm out in front of him as he fell to the ground on the east side of the chain link gate. The firearm landed on the ground, approximately three feet west of the chain link gate, just west of a cement block.

IAB NOTE: Subject [redacted] stated he blacked out just before he fell to the ground. Subject [redacted] had no recollection of what occurred within the ten minutes after the shooting.

As Deputy [redacted] detained Suspect [redacted] on the east sidewalk, he immediately requested emergency radio clearance via his portable radio and advised Sheriff's Communication Center (SCC), deputies were involved in a shooting and requested assistance. At that time, the black Challenger fled the area traveling northbound on Tajauta Avenue and out of view.

IAB NOTE: SCC recorded the initial emergency radio traffic at 2224 Hours.

IAB NOTE: According to Deputies [redacted] and Orrego, and Witness [redacted] the shooting occurred within seconds after the initiation of the traffic stop.

Deputy Orrego took cover in the driveway of [redacted] just west, of a parked SUV, as Deputy [redacted] maintained control of Suspect [redacted] Within two minutes, several assisting units were on scene at the shooting location. A patrol vehicle was positioned in front of [redacted] North Tajauta Avenue, facing east toward the chain link gate. Deputies used the vehicle's headlights and spotlights to illuminate the side yard where Subject [redacted] was last seen. The vehicle was used as cover by deputies who were holding the area at gunpoint.

Watch Commanders, Lieutenant's Jason Skeen and Marc Lucio ensured outside resources were requested to assist with the containment of the area. Those resources included an airship, Special Enforcement Bureau (SEB) and K-9 units for a search, patrol units from neighboring stations, and the staging of Compton Fire Department.

Within five minutes after the emergency radio traffic, a containment of the area was established along the surrounding blocks of Tajauta Avenue, using all field units from Compton Station. Aero Bureau, airship, "Air 21" assisted with the coordination of ground units and the containment of the area while en route to the scene. The containment covered a large area and required the use of additional patrol units from neighboring patrol stations.

Once the front area of North Tajauta was secured, Deputy [redacted] requested the fire department stage nearby to provide aid for a possible down suspect who fell east of the chain link gate. Sometime during the coordination of the containment, Deputy [redacted] and another unknown assisting deputy, escorted Suspect [redacted] to a parked patrol vehicle on North Tajauta Avenue, away from the scene

Sergeant Fisher arrived on scene and checked on the welfare of Deputies Orrego and [redacted] who were still within the active scene. She instructed both deputies to remove themselves from the active scene and wait on the west side of the street until they could be transported back to the station. Deputies Orrego and [redacted] took cover behind a vehicle which was parked along the west curb line in front of [redacted]

As deputies held the front yard of [redacted] North Tajauta Avenue, a crowd began to gather approximately twenty feet, south of the shooting location. The crowd originated from a house party at [redacted] which was directly [redacted] to [redacted] North Tajauta Avenue. The crowd of young adults, appeared upset, hostile toward deputies, and made attempts to approach the crime scene which was still active, with two outstanding armed suspects. Sergeants Fisher and [redacted] and two field deputies addressed the crowd and ordered them to leave the area.

At approximately 2237 hours, "Air 21" was requested to light up the side yard north of [redacted] North Tajauta Avenue, for a visual search of the area, for the possible down suspect. Detective [redacted] made the request in an effort to determine if the suspect was injured, and if medical aid was necessary.

At approximately 2239 Hours, "Air 21" made several orbits over [redacted] North Tajauta Avenue, illuminating the ground. Deputies on scene in front of [redacted] North Tajauta Avenue, could see the bushes move on the side yard north of [redacted] North Tajauta Avenue. At that time, Suspect [redacted] stood up and held his hands up in the air.

Because the side yard gate was a stationary fixed gate, and because it was safer to have Subject [redacted] come back over the fence, Subject [redacted] was given commands, via the public address system, to come out from the side yard and to jump back over the fence toward deputies, keeping his hands up in the air, while the deputies remained behind cover.

Sergeant Fisher was present with deputies holding the side yard, north of [redacted] North Tajauta Avenue and during the apprehension of Subject [redacted] An arrest team was formulated and included Deputy Richards, Detective [redacted] Deputy Perry, and Sergeant Fisher. The use of an armored shield, a shotgun, and less than lethal weapon (taser) were utilized to safely approach and apprehend Subject [redacted]

Subject [redacted] climbed back east over the gate, and was instructed to keep his hands up, and to walk backward toward the deputies. After deputies conducted a visual inspection of Subject [redacted] he was instructed to get down on his knees and to place his hands on top of his head. Deputy Richards, Detective [redacted] Deputy Perry, and Sergeant Fisher approached Subject [redacted] Deputy Richards safely handcuffed Subject [redacted] and escorted him to a patrol vehicle, without further incident.

The shooting was documented by Deputy [redacted] under file # 015-07823-2811-055. For a complete review of the primary incident report, and supplemental reports, see **[Exhibit A]**.

During the apprehension of Subject [redacted] Suspect [redacted] a [redacted] of Subject [redacted] ran into the containment and was apprehended by Deputies Orrego, [redacted] and [redacted] in front of [redacted] The apprehension required the use of force, which was reported and documented. For details regarding the use of force, refer to the incident report and supplemental reports, file # 915-80015-2811-145, **[Exhibit M].**

> **IAB NOTE: Details regarding the Use of Force involving Suspect [redacted] are summarized at the end of the force review.**

A search for the third outstanding suspect continued with the assistance of SEB K-9 units and SEB deputies, but met with negative results.

INVESTIGATOR'S OBSERVATIONS

IAB Sergeant [redacted] responded to the scene and noted the following:

The location is a residential area. North Tajauta Avenue runs north to south and the homes face east and west. The street is wide, with minimal lighting provided by posted street lights. Although the location of the patrol vehicle was illuminated, the front yards of [redacted] and [redacted] North Tajauta Avenue were extremely dark. Large trees within the front yard of [redacted] obstructed the light and shadowed the yards of both homes and the street lights did not reach the residential structures. Refer to crime scene photos in **[Exhibit H].**

A small SUV was parked in the driveway of [redacted] which was located just north of the side yard of [redacted] North Tajauta Avenue. The vehicle was approximately 10 to 15 feet from a chain link gate of [redacted] North Tajauta Avenue, which divided the front yard from the backyard, and defined the property line between both homes. The area was dark, without any light source.

The chain link gate between [redacted] and [redacted] North Tajauta Avenue was connected to the north garage wall of [redacted] North Tajauta Avenue and stood approximately six feet tall. Small plants just east of the gate stood approximately a foot to two feet tall, obstructing a view of the ground just east of the gate.

The side yard appeared to be approximately five and one half feet wide. The north wall of the garage was made of stucco and there appeared to be two bullet impacts into the stucco. One bullet appeared to have grazed the surface of the wall as it traveled east. Refer to crime scene photos, **[Exhibit H].**

A firearm, three empty cartridge casings, and a burgundy hat, were recovered by Compton Station Deputy [redacted] at the direction of Detective [redacted] The exact location of evidence was recorded by Deputy [redacted] prior to the arrival of Internal Affairs Bureau, and was not present during the walk through of the crime scene. Three white placards replaced the empty cartridge casing to mark their locations. Those placards were removed by Deputy [redacted] after the crime scene walk through, and could not be accurately documented by Scientific Services Bureau, Deputy Thomas.

The location of the primary patrol vehicle involved in the shooting was moved prior to the arrival of Internal Affairs Bureau and could not be accurately documented by Deputy Thomas.

IAB NOTE: During a search for the third outstanding suspect, Sergeant Fisher unintentionally moved the patrol vehicle from its original location to make room for an SEB armored vehicle.

USE OF FORCE

At approximately 2240 hours (after the deputy involved shooting), several deputies were on scene, posted in front of [redacted] North Tajauta Avenue. They were just west of the residence, facing east and holding the area for one of two outstanding suspects. It was believed by Deputy Orrego, the primary suspect (Subject [redacted] was hiding along the north side yard of [redacted] North Tajauta Avenue, behind a chain link gate, or possibly hurt. This area was illuminated with vehicle headlights as deputies held the area at gunpoint. Sergeants Fisher and [redacted] were on scene supervising.

After obtaining a safety statement from Deputy Orrego, Sergeant Fisher instructed both Deputies Orrego and [redacted] to stand across the street from the location, until they could be transported back the Compton Station. Deputies Orrego and [redacted] took cover behind a vehicle parked across the street. The vehicle was parked along the west curb line located in front of [redacted]

A containment of the surrounding area was established. Yellow crime scene tape was posted around the immediate area to identify the inner crime scene area, and a secondary crime scene line was established to identify an exterior crime scene line.

The exterior crime scene line on North Tajauta Avenue covered the entire block from Spruce Street to Poplar Street, and prevented public traffic from entering the area.

Deputy [redacted] was posted at the north side of the containment at Spruce Street and North Tajauta Avenue. While providing security, he was approached by four individuals who wanted to enter the crime scene. Deputy [redacted] ordered all four individuals to stay behind the yellow line and to not enter the area. The four individuals failed to comply with his orders, and ran southbound on the west sidewalk of Tajauta Avenue, past the exterior crime scene line and toward the active crime scene.

Using his portable radio, Deputy [redacted] immediately advised units (within the containment) of the suspects running southbound into the crime scene. Just before they reached the immediate crime scene line, (located just north of [redacted], three of the four individuals complied with orders to go back to Spruce Street. One individual, identified as [redacted] continued to walk southbound, along the west sidewalk, toward the active crime scene, and past the interior crime scene line.

Deputy [redacted] was facing in a northwest direction speaking with Deputies Orrego and [redacted] in front of [redacted] when he observed Suspect [redacted] enter the immediate active crime scene and walk in their direction. The deputies were standing on the west sidewalk of North Tajauta Avenue.

As Suspect [redacted] approached the crime scene, Deputies [redacted] Orrego and [redacted] immediately stood in front of Suspect [redacted] in an attempt to block him from entering the scene or interfering with deputy's who were attempting to take Subject [redacted] into custody. They ordered Suspect [redacted] to leave the area, but he did not comply with their request. Suspect [redacted] repeatedly yelled out, "That's my [redacted]"

Suspect [redacted] continued to walk forward toward all three deputies using his body to push past them. Deputy [redacted] yelled at Suspect [redacted] "Go back!" but he did not comply. Deputy [redacted] positioned himself behind Suspect [redacted] and grabbed both his hands from behind. Deputy Orrego grabbed Suspect [redacted] left hand, while Deputy [redacted] grabbed Suspect [redacted] right hand.

As Suspect [redacted] continued to push forward past the three deputies, Deputy [redacted] placed a handcuff on Suspect [redacted] right wrist. Deputy [redacted] attempted to handcuff Suspect [redacted] left wrist, but Suspect [redacted] continued to pull his arms away. Deputy [redacted] secured the second handcuff onto Suspect [redacted] left wrist. As all three deputies continued to hold onto Suspect [redacted] he continued to walk forward pulling the deputies with him. Deputy [redacted] attempted to speak with Suspect [redacted] and calm him down, but Suspect [redacted] continued to ask, "Where's my [redacted]"

As the deputies and suspect remained up on the sidewalk, Suspect [redacted] continued to push forward toward the street, moving his shoulders side to side as he continued to yell. Due to Suspect [redacted] large build the deputies had a difficult time holding him back. Deputy [redacted] took hold of Suspect [redacted] right elbow area, in an attempt to maintain control of him.

Just before reaching the street, Deputy [redacted] said, "Takedown!" At that time, in a group effort, Deputies [redacted] Orrego, [redacted] and [redacted] guided Suspect [redacted] down to the ground and onto the lawn area in front of [redacted] Suspect [redacted] landed face down on his chest area. The take down was effective and prevented Suspect [redacted] from moving closer to the active crime scene.

While on the ground, Suspect [redacted] continued to struggle. Deputies [redacted] Orrego, and [redacted] attempted to maintain control of Suspect [redacted] upper body, as Deputy [redacted] controlled Suspect [redacted] legs. Deputy [redacted] told Suspect [redacted] to relax, but he became more upset and began kicking both legs. Deputy [redacted] retrieved his hobble restraint and attempted to secure Suspect [redacted] legs, but was unable to hold his legs still to secure the hobble.

Deputy [redacted] observed Deputy [redacted] struggling to secure Suspect [redacted] legs. Deputy [redacted] ran to Deputy [redacted] aid and took control of Suspect [redacted] legs while Deputy [redacted] secured the hobble restraint around Suspect [redacted] legs.

Once the hobble was secured around both legs, Suspect [redacted] continued to kick his legs back and forth while lying on the ground. As Suspect [redacted] legs swung back toward his buttock, Deputy [redacted] used that backward momentum to secure the hobble onto Suspect [redacted] handcuffs, utilizing the "Total Appendage Restraint Procedure" (TARP). The TARP had the desired effect, and prevented Suspect [redacted] from kicking any further.

Suspect [redacted] was placed on his left side and his breathing was monitored. Suspect [redacted] was told to relax and to calm down. Within one minute, Suspect [redacted] began to calm down and complied with the deputies requests. The TARP was removed from the handcuffs, and the hobble restraint device remained fastened around Suspect [redacted] legs. Suspect [redacted] cooperated and was escorted to a parked patrol vehicle where he was safely secured inside.

Due to the active search for the third suspect, and for safety reasons, Compton City Fire Department was staged at the command post. Suspect [redacted] was transported to the command post where he was medically treated by Compton Fire Department.

Suspect [redacted] was provided with an "OK to Book" and transported to Compton Sheriff's Station.

The force used by deputies occurred in the presence of two sergeants who were on scene at the location. The use of force verbally relayed by the deputies involved, during this force review, was consistent with the deputies written reports of the force.

During that time, Suspect [redacted] continued to ask deputies, "What's going on?" Suspect [redacted] described the entire incident like a black out. He was placed inside the back of a patrol vehicle.
